

MHTN
ARCHITECTS

Project Architect

MHTN Architects in Salt Lake City is seeking a licensed Project Architect with 5+ years experience, to guide projects through schematic design, design development, construction documents and construction administration.

MHTN is a 65 person design firm specializing in the planning and design of K-12 Education, Higher Education, Healthcare, Corporate, Civic and Religious projects with decades of experience in-state and regionally, as well as across the nation and overseas. As a firm, we operate around core values of design, respect, client service, empowerment, accountability, teamwork, environmental responsibility, technical expertise, and community service. MHTN offers a collaborative work environment that promotes professional growth and advancement. We seek team members who have a passion for designing built environments and self-motivated contributors that will embrace and expand our culture.

We are searching for candidates who are well organized, creative, forward thinking, detail oriented and work effectively in a collaborative team environment while also working autonomously on given tasks. Candidates must also possess the following:

- Leadership and team management skills to meet project scope, budgets and schedule while collaborating with Project Manager to organize project and document production.
- Experience and understanding of engineering systems, equipment, technology requirements, detailing and how they relate to construction.
- Perform construction administration duties for conformance with design intent and construction documents.
- Experience with necessary codes and regulatory standards.
- Communicate effectively with project team.
- Proficient in Revit, AutoCAD, SketchUp, Adobe Creative Suite and MS Office.
- Bachelor's/Master's Degree in Architecture from accredited school and licensure.
- LEED Accredited Profession is preferred but not required.

Position offers a competitive compensation package including vacation, personal leave, health and 401k benefits.

Interested candidates are asked to submit for consideration samples of their work including; documented successful client, consultant and contractor relationships to Linda Kruse (linda.kruse@mhtn.com) along with their resumes.

MHTN Architects Inc. is an Equal Opportunity Employer
